

SAMARTH KANAGI

Full Stack Web Developer

☎ +91-8010428570 | ✉ samarthkanagi.co@gmail.com | 🌐 Portfolio

Skills

Languages: Python (DSA)

Database: MySQL, MongoDB

Frontend: HTML5, CSS3, Bootstrap 5, Tailwind CSS, **Tools:** GitHub, Postman, Cloudinary, Vercel, Render
JavaScript, React.js, Redux (Basics)

Backend: Node.js, Express.js

Experience

ScaleFull Technologies LLP

Dec 2025 – Jun 2026

Full Stack Web Developer Intern

Pune

- Developed and maintained full-stack web applications using **React.js, Node.js, Express.js, and MongoDB**, contributing to scalable and user-friendly solutions.
- Designed responsive frontend components and integrated RESTful APIs to enhance application performance and user experience.
- Collaborated with developers to implement new features, debug issues, and optimize application functionality across the stack.
- Utilized **Git, GitHub, Postman, Cloudinary, and Render** for version control, API testing, media management, and deployment workflows.

Projects

Internship Management System (InternStatus) | *MERN Stack, Tailwind CSS*

March 2026 – Present

- Developed a full-stack internship management platform connecting **students, colleges, companies, mentors, and administrators**.
- Implemented **role-based authentication and dashboards** for Admin, College, Company, Faculty, Mentor, and Student users.
- Built scalable REST APIs using **Node.js, Express.js, and MongoDB** for internship postings, applications, task management, and progress tracking.
- Created a responsive frontend with **React.js and Tailwind CSS**, featuring application tracking, notifications, and analytics dashboards.

Blog Web Application (GUESS.com) | *React, Node.js, Express.js, MongoDB, Tailwind CSS*

June 2026 – Present

- Developed and deployed a **full-stack blogging platform** using the MERN stack with secure **JWT authentication** and role-based access control.
- Built scalable **RESTful APIs** and a **MongoDB** backend supporting blog creation, editing, deletion, comments, likes, and bookmarks.
- Implemented **search and category-based filtering** to improve content discovery and user engagement.
- Integrated **Cloudinary** for image management and deployed the application on **Vercel** and **Render** with a responsive user interface.

Certifications

- **Google Cloud Generative AI Fundamentals Skill Badge – 2026:** Completed training in Generative AI, Large Language Models (LLMs), Responsible AI, prompt engineering, and Google Cloud AI tools.
- **IBM SkillsBuild AI Fundamentals – 2026:** Gained knowledge of Artificial Intelligence, Machine Learning, Deep Learning, Neural Networks, and AI Ethics through IBM SkillsBuild training.

Education

Bechlors in Technology

N B Navale Sinhgad College of Engineering, Solapur

Passed Out: 2026

CGPA: 8.56 / 10

Higher Secondary (12th)

C B Khedagi College of Science, Akkalkot

Passed Out: 2022

Percentage: 71.83%
